Notes to the Financial Results:

- The financial results have been prepared in accordance with Ind AS, notified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended. Any application guidance / clarifications / directions issued by the Reserve Bank of India (RBI), the National Housing Bank (NHB) or other regulators are implemented as and when they are issued / become applicable.
- The main business of the Company is to provide loans for purchase or constructions of residential houses. All other activities of the Company revolve around the main business and accordingly there are no separate reportable segments, as per the Ind AS 108 "Operating Segments".
- The Covid-19 pandemic has impacted most economies and banking systems globally, including India. The nation-wide lockdown in April-May 2020 substantially impacted economic activity. The easing of lockdown measures subsequently led to gradual improvement in economic activity and progress towards normalcy. These developments resulted in regulatory measures like moratorium on payment of dues and standstill in asset classification to mitigate the economic consequences on borrow etc. It also resulted in increase in provisioning reflecting higher actual and expected additions to non-performing loans following the cessation of moratorium and asset classification standstill. The second wave of Covid-19 pandemic, where the number of new cases has increased significantly in India, has resulted in re-imposition of localised/regional lockdown measures in various parts of the country. Although, the second wave has started to subside from June 2021 onwards and there has been gradual lifting of lockdown, the impact of the second wave on the Company's results remains uncertain and dependent on future developments, which are often outside of the Company's control and accordingly, actuals may differ from the estimates used in the preparation of the financial statements on the reporting date.

The impact, including credit quality and provision, of the Covid-19 pandemic, on company, is uncertain and will depend on the spread of Covid-19, the effectiveness of current and future steps taken by the governments and central bank to mitigate the economic impact, steps taken by the company and the time it takes for economic activities to return to pre-pandemic levels. The Companies capital and liquidity position is strong.

**Limited Review Report on quarterly and year to date unaudited Standalone Ind AS
Financial Results pursuant to the Regulation 33 and 52 read with Regulation 63(2) of the
SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

To

**The Board of Directors of
GIC Housing Finance Limited**

1. We have reviewed the accompanying statement of Unaudited Standalone Ind AS Financial Results of GIC Housing Finance Limited ("the Company") for the quarter ended December 31, 2021 and for the period from April 1, 2021 to December 31, 2021 attached herewith ("the Statement") being submitted by the Company pursuant to the requirements of Regulation 33 and Regulation 52 read with Regulation 63(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 as amended from time to time ("the Listing Regulations").
2. This Statement which is the responsibility of the Company's management and approved by the Company's Board of Directors in its meeting held on January 31, 2022 has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Financial Statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 and Regulation 52 read with Regulation 63(2) of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw attention to Note 3 to the Statement on the possible effects of the COVID 19 Pandemic. Our conclusion is not modified in respect of this matter.
